Important please note:  
1. The inspection is carried out on the basis of the information provided by the customer and the condition of the motorhome at the time of inspection.  
2. Appliances are checked for operation only, additional servicing may be required for warranty purposes.  
It is advisable to drain all water systems including taps, pipes, boilers & toilets when motorhome is not in use.

Customer name and address:  
*Mr Hyslop*

Make/Model: *Granham Solero* VIN: *EY54EXA*

Diagram labels: FRONT, N SIDE, R SIDE, BACK, ROOF, FLOOR

Handwritten notes on diagram: *N SIDE*, *R SIDE*, *50%*

Comments and recommendations:  
*Small area of roof below 50% frame removed and resealed*

Service engineer: *P. Hyslop* Date: *17/11/21*

**Guidance notes:**  
Readings between 6-20% = no cause for concern  
Readings between 20% - 25% = may require further investigation when compared with the average of all readings taken. Consideration should be given to rectifying the area in three months.  
Readings greater than 25% = will identify areas needing remedial work. There may be early signs of water ingress or evidence of moisture. Again, consideration should be given to rectifying the area in three months.  
When readings are above 30%, structural damage may be occurring and deterioration is inevitable.

## CMS MOTORHOME INSPECTION FORM

In receiving this form you are automatically agreeing with this acknowledgment. Whilst it would be nice to have a full AA style report and professional habitation check, it is not realistic and we are not trained to do so, so take all descriptions & reports as the assessors opinion only. All of our listed checks were opinion of the assessor before the date of the auction, conditions of the motorhome or caravan are expected to change in that time. Take into consideration fair wear and tear for the age of the motorhome. We do not test heating, gas, electric, water systems or accessories. All motorhomes are driven to the auction unless stated. MOT history & mileage checks are public record for the buyer to do their basic due diligence with. This is a trade auction only and must be treated as such. Bidding is bound by British Car Auction terms and conditions. Please visit <https://www.bca.co.uk> for auction terms and conditions. Bid at your own risk.
