## CMS MOTORHOME INSPECTION FORM

In receiving this form you are automatically agreeing with this acknowledgment. Whilst it would be nice to have a full AA style report and professional habitation check, it is not realistic and we are not trained to do so, so take all descriptions & reports as the assessors opinion only. All of our listed checks were opinion of the assessor before the date of the auction, conditions of the motorhome or caravan are expected to change in that time. Take into consideration fair wear and tear for the age of the motorhome. We do not test heating, gas, electric, water systems or accessories. All motorhomes are driven to the auction unless stated. MOT history & mileage checks are public record for the buyer to do their basic due diligence with. This is a trade auction only and must be treated as such. Bidding is bound by British Car Auction terms and conditions. Please visit <https://www.bca.co.uk> for auction terms and conditions. Bid at your own risk.
